## Preface

This age is the space & electronic age, & man is leaping towards stars & into the depth of this vast universe. But did one ever think who are those personalities around whom this universe spins & by one small finger gesture they split the moon apart. Who are those who commanded the stars, rocks, mountains, air, water & all the natural & supernatural ingredients of universe & over & above that the heavens & the entire metaphysical world.

Those who truly claimed to be the city of knowledge & learning & whose chest were brimful with wisdom. But then they would not find anyone capable enough to imbibe & digest it.

Alas, there were only a very few who could take in just a bit of what they had. And so that bit taken was just a tiny fraction of what they possessed has today developed into this huge & gigantic show of knowledge industry & technology by man.

Of course, it took man centuries to develop the little amount of knowledge he had received.

It was only possible through some highly calibrated & genius persons like Jabbir bi Hayyan the father of today's sciences, Alberuni, Ibne sina the father of medicine, Abul Haisam & some others who were all the pupils of the household of Prophet Mohammad P.8.fl.HJ.

So briefly speaking they as the torch bearer & flag holders of knowledge & learning picked up a drop from the mighty & gigantic ocean of knowledge, (the city of knowledge & his

descendents) & passed it on to the coming generations for further consideration, contemplation, research, investigation & ellaboration,

Now, that man has entered the space age he looks back to the real source of his modern developments & progresses,

And only then the honest researcher humanists, philoshpers & thinder like ZHOL Laboom, DENOURT, LORA WAKSIA WAGLARI came to admit the bare & plain facts, French thinker ZHOL LABOOM says in the book "the detail of verses" ",knowledge & learning came to our hand from the Muslims" Renowned orientalist Denort said "It is obligatory for us to admitt that Physical sciences, astronmy, Philosphy & mathematics which reached their zenith in Europe are mostly from the benefiencce of Quranic learning,"

Thus it becomes inevietable to recognise those upon whome this sarcred book of knowledge & wisdom was revelated, & those are its heir up to this day.

And can not find a single soul in the universe except Mo-hammad(P.B.U.H.) & his rousehold her daughter, the gracious & magnanimous Fatima(A.S), his cousin Ali(A.S) the grand, splendid & sublime personality known as the gate of the city of Prophet's knowledge & the eleven Imams who are his descendents & progeny.

These fourteen channels of knowledge & wisdom are linked up with Allah(S.w.T) so their knowledge is devine knowledge.

Even today their effects, such as Nehjul balaghah, speach of Fatima(s.w.A) SAHEEFA E SAJJADIA, SAHEEFA E ALVIA & frame work of social, moral, etheticul, logical educational, economical norms & standards for humanity with which it can put a curb & restraint upon the various evils, vices & misfortunate catastrophes like war, famine, destruction, illitracy, disease & annihilation. Humanity by curbing the ever growing lawlessness, & oppression can turn this. world full of misery into a glorious heaven with all the thinkable & possible comforts,

joys, fraternity & felicitations. To sum up, the need of introducing & materialising the aspirations of the holy Prophet of Islam & his progeny, has grown multiply in this age. The need to translate, propagate & spread their mission of peace & tranquillity.

So this book is an effort towards this end. Although with its small volume & limited boundaries it can just be called a symbol & indicator for the reseachers & a guideline for them to proceed ahead & discover the genuine & natural phenomenon of the metaphysics & the highway to the devine light leading to eternal prosperity.

It contains 560 Hadieths which covers many dimensions of the human life &' for those seeking solution to the today's, world problem, it is a guide. Yet there is need to probe into the rest of the Hadieths through strenous efforts. As already mentioned this knowledge is 'a beneficence, & benevolence equally for those in the East or west whether they are white, or black, yellow or red.

I earnestly pray to Almighty Allah to give us the courage, strength & sincerity to gather up the I gems from the heritage of MohammadfP.B.tI.lf) &' his I house hold. And to put that into practice.

I have put in sincere effort to do the job of translating these Hadieths. But it was not an easy thing to do.

Since, :???? ?????? ???? ??????

The speach of the leader (Imam) is the Imam (leader) of all speaches.

But only with their help, &' affection could this job be completed. Any helping suggestions in improving the short comings of translation including Islamic terminologe will be appreciated.

## Foreword

Please pay attention to the following few points which are briefly described for the sake of studying this book with a greater & broader vision. 1. Essentiality of heedfulness to the rich culture of Islam.

We are aware that the base & foundation of the completion, maturity & progress of human beings is a school & culture which must be constructive, rich & affluent & may be capable to guide man in variant dimensions towards the total & multi directional completion & prosperity.

Such a school of thought & culture must definitely come from the Almighty Allah of humanity who is All Knowing. On this account, the only school & culture having grown & produced from the origin of revelation can be advantageous, & conductive particularly the school & culture which has reached us from the arena & sphere of the last & final ambassador of Allah the Prophet of Islam(J".v..4.) & the last guardians from God & their successors, the infallible Imams & Hazrat Zahra(£v..4.J& this must certainly be possessing all the excellencies of gnosis, cognition & completion & will be the eminent of all the other cultures & schools.

On this basis it is essential & definitely necessary for us to pay deep & multi dimensional attention & concentrate upon this rich & man constructing culture & school while proceeding on the way of guidance, progress & elevation.

And we considering it the practical programme of our life must embrace the prosperity of world & Here after in its light, since

we will definately not find such a rich, plentiful, exhuberent' & movement creating school of thought & culture any where in the World. And one can never at all reach the peak of real completion & attain the open & obvious prosperity through other cultueres. On this basis the Prophet of Islam(P.B.III.) said:

?????? ??????? ??????? ??? ?????? ?????? ??????? ?? ?????? ??????  
??? ????? ??????? ???????

Confer., & meet & talk to each other because Hadieth polishes the hearts. No doubt hearts get rusted like the swords & Hadieth is their polish[1]. Essa (removal of that rust).' Essa (chirst)(s.w.A) at the height & sumit of his speach told the Bani Israel (sons of Israel):

?? ?????? ?????? ??????? ??????? ?? ??????? ?????? ????????

Do not inform ignorants about the word of wisdom so that you may have commited excess (injustice) to those subjects &: do not refuse &: conceal them from the sage &: wise ones so that you may have commited injustice &: excess upon them[2]. Imam Ali(A.S) as per his wel known saying said.

?? ??? ?????? ?????? ?????? ?????? ?????? ??? ?? ????? ??

These hearts are just like utencils so that the best utencil is the one which secures &: retains more (than others). There fore do secure &: memo rise what I tell you.

????? ?????? ?????? ?????? ?????? ??? ????? ?????? ????? ??????

People are three groups I.the Godly scholars 2. the knowledge seekers (students) who move. on the way towards salvation. 3. silly rabble, mob. It is understood from these intresting &: attractive traditions that the culture of Islam should not be confined &: bonded rather it should be propagated, &: the people of the world be given to learn it's facts by divulging it through meditation, consideration &: conference., to polish the hearts out of their rusty condition. Thus if we do not carry it to those capable we would have done injustice to them', since we will

have deprived them of the most supreme & sublime gifts & presents of the life completion[3].

This also becomes clear that best of the men are those who welcome & greet the rich & exuberant Islamic culture, which is mixed up with deep & profound wisdoms, with an open & absorbent mind, & make it a pattern for themselves.

As a whole mankind can be divided into three categories 1. Godly scholar 2. student 3. silly rabble[4] & mob.

The divine scholar is like an upstanding tree which has raised & upheld his head towards the sky of completion. The student is like the plant of lily lotus which shows its face leaning along that firmly up standing tree & moves upwards. But the third form of man is like the weeds growing near the root & base of that tree having no course to move on. And it stays along with the dirt of earth some times under that stinking dirt & gets drowned into the black mud of the pond.

2. The Emphasis of the leaders of Islam about broad casting traditions.

The propagation & broad casting of Islamic learning & culture has an elevated & lofty place from the Islamic view. Imam Mohammad Baqir(A.S) said. "The alms giving of knowledge is this that you teach it to the servants of God." Moawiyah Bin Ammar says I submitted to Imam Jaffer sadiq(A.s.) "one of your states great number of traditions & propagates them among the people & makes them firm & steady into the hearts of people & your shias.

And on the other hand, there is a worshiper among your followers (shias) who is not active in propagating your traditions amid the people like that (other) man, so which one of them is better?" Imam sadiq(A.S) said.

??????? ?????? ???? ?? ???? ?????? ???? ?? ??? ?????.[5]

"That person who propagates our sayings (traditions) & makes

the hearts of our shias steady & firm (with our culture) is better than a thousand adorers."

Imam Ali ReZa(A.S) said ",Allah may have mercy upon the person who revives & establshes our affair." A man asked him ",How must one revive it? He replied.

????? ?????? ??????? ??????.[6]

"He may learn our knowledges & teach others" 3. A brief consideration of learning forty Hadieths. The Prophet of Allah said "

?? ??? ????? ... ?????? ?????? ??????? ????? ?? ??? ?????? ????? ?????  
??? ??????? ??????? ???????[7]

" the one from among my ummah who learns by heart forty Haieths, which they need for their relegion, Allah will resurge & ressurect him (as) a wise jurispuident on the dooms day".

Four points must be taken into veiwa about this Hadieth. 1. This tradition has been much narrated with a little amount of difference & variation both by the shia & sunni traditionalists. And even some say this is a "Mutawatir" widely transmitted tradition. That is to say it has been so very much narrated that the sure knowledge of it's being soundly narrated from the infallible Imam(f.!) is achieved[8].

2. Allama Majlisi (may God have mercy on him) says about the word "memorising of tradition", mentioned in the above stated Haieth, ",As a matter of right, memorising (learning hadieth by heart has many grades. the rewards of them granted are according to the same grades. One of it's grades & tages is securing & learning the text of the hadieth, whether thst securing comes about in the memory securing it from getting perished like preserving it on papers & correction of its words & reproducing it.

The second grade is learning the text & meanings of forty Hadieths & contemplation of their minute points & deduction

of religious injunctions & Islamic learnings from them. The third stage is that the text of those forty Hadieths may be implemented, practiced upon & secured. It is quite clear that each of these carry a reward but if all the three of them are owned by a person' then it will result in getting the complete reward. There by he says "Getting resurrected as a wise jurisprudent on the resurrection day takes place when all the three grades or at least two of the later ones are observed[9].

3. In many cases, the title of .forty. is the final limit &: border of completion of those matters. Allama Haj Mirza Hussain Norri reflects', .By benefitting from correct &: true traditions it becomes evident that in the process of preserving practice for progress from a stage to a higher one, forty days or years have an effective &: total effect. There by, he pointed out forty cases of the completed affairs &: matters within the border of forty[10].

4. Supplementarily, it may not remain unsaid that .forty Hadieths. means the Hadieths which are a requirement &: need on the course of guidance. such as the problems of beliefs, jurisprudence, politics, &: ethics. As already mentioned a wise &: complete jurisprudent is the one who gets benefitted &: saturated in varient dimensions of religion from the knowledge &: practice.

## **The Present Book**

The text of this book has been compiled under the title of .FortyHadieths from each of the fourteen infallibles., by the of Islamic Propagation organisation, the International relations, Turkish Deeptt. And published &: circulated in 320 pages' of the Rukkai size, in the year 1360. (.fA.). The compilation of this book by the said organisation has taken place, with the co-operation & co-working of two dear excellent brothers Aqai Fakharuddin ALTAN & Aqai Mujahidi who are respectable students of the Qum's seminary, as under:

Following the preface, firstly the particulars of each of the fourteen infallibles are described & then comes the arabic text

of the forty traditions from each infallible with their references. Thereafter, those have been translated into Turkish language in the Latin scripture. And this method is quite interesting, attractive & initiative in its form, that forty sayings of each infallible concerning various affairs & dispositions, be narrated.

And since its translation into Persian was quite beneficial in making us aware & acquainted with the rich, wealth & vast moral, ethical, political, credence, belief social & economical culture of the family & household of the Prophethood (S.A. W). was a guide to the healthy & sound way of Islamic life, so steps were taken to get it done. It has been endeavored that the translation be in the form of sentence to sentence although on a few occasions it became inevitable for us to translate freely.

This book consists of 560 Hadiths, arranged in a manner that their Arabic text & then Persian translation has been put forward. We hope that all of us shall learn constructive, positive & beneficial lessons from these profound, deep, lofty & dignified words, & take meaningful, useful, & positive steps in life to bring about the purity & betterment of our souls & the society, by putting them into practice. ## FORIY DISCOURSES OF AMEER AL MOMINEEN(A.S)

1. The one who recognised himself (self cognition) has recognised his Allah. (GHARAR AL HIKAM. CHALTER 77, HADIETH 301)

2. Indeed, Allah raised MOHAMMADfP.B.II.II.J upon the righteousness so that he may move His servants out of the (state of) adoration of servants towards His own adoration, &. from the commitment of His slaves towards His own commitment &. from the obedience of His slaves towards His own obedience &. from the guardian ship of his servants to His own guardian ship. (FARROO AL KAFI, VOL 8, P 386)

3. There is nobody who sits with (acquires the company) of Quran except that when he stands up from it (move away) with addition or loss. Addition to his guidance &. loss of his blindness. (abberation)

And know it there is no Poverty &. adversity for anyone after having' Quran (with him) &. nobody has any wealth &. needlessness before having the Holy Quran (with him). (ALHAYATVOL2, P 101)

4. The one who is pleased & satisfied with the deed of a nation (group) is like the one who has shared that with it. And for all those entering into a falsehood there are two sins; the sin of practice & the sin of being pleasec;l with it. (NEHJUL BALAGHA LE SABEEH AL SALEH. QISAR UL HIKAM. 154 P 499)

5. Ali(A.S) was questioned about faith. So he replied ., Faith rests upon four pillars.

1. Patience 2. certitude 3. Justice 4. Jihad (holyywar). And patience out of those, has four branches. Keen ness & eagerness (2) fear (3) Piety (4) wait.

The one who is keen & eager for Heaven steps aside the passionate temptations & the one who has the fear of hell fire

abstains & refrains from the forbidden deeds & the one who has asceticism in the world takes the calamities & anguishes (of life) easy & the person who is looking forward to & waiting for death makes haste & hurry towards the good deeds.

And Jihad (holy war) is based upon four branches. 1. The ordering of good deeds.

2. Stopping from the bad deeds.

3. & truthfulness on the battle front of struggle & combat. 4. & the enmity with transgressors.

So, the one who orders the good deeds strengthens the backs of faithfuls. And the one who stops people from bad deeds has rubbed the noses of the infidels upon dust (belittled & weakened them). And the one who truthfully stands up in the battle field has discharged an obligatory practice. And the one who gets enraged & furious with the transgressors & gets angry for Allah, Allah too becomes enraged & angry for his sake & will please him on the resurrection day. (NEHJUL BALAGHA LE SABEEH AL SALEH QISAR UL HIKAM 31. P 473)

6. So indeed, Jihad (holywar) is a door out of the doors of Heaven. Allah has opened it upon His special friends (saints). And that (Jihad) is the dress of piety & the firm & securing armoured Jacket of Allah & His dependable shield & the one who abandons it because of being uninclined to it, Allah makes him put on the dress of humility. (NEHJUL BALAGHA LE SABEEH AL SALEH, sennan, 27, P 69)

7.Indeed, the errupting of sedition &. iniquity is due to the following of lustful desires &. the artificial laws &. rules, those orders &. laws which are against the book of Allah. And a group of men stands up to defend those as against the religion &. constitution of Allah. If falsehood had completely seggregated from the righteousness, it would not have remained concealed &. hiden from those who are in the search of truth.

And if the righteousness had been purified from the falsehood the tongues of the enemies &. rivals would have shortened from it. But they fetch a piece of right &. a piece &. part of falsehood &. mix !!hem up. This is where satan overwhelms his friends. And only those who are the object of the beneficence of Allah get salvation. (NEHJUL BALAGHA LE SABEEH AL SALEH SERMON 50, P 88)

8. Indeed the religion of Allah is not identified through persons, instead, it is recognised by the sign of Rights. Therefore, do identify the light so as to identify people of the right. (A'LBIHAR. VOL 68. P 120)

9. Do not be the slave of an other person, since, Allah has made you a free person. (GHARAR AL HIKAM CHAPTER 85,

10. Verily, ordering the good deed & stoping from the evil doings do neither draw the death closer nor diminishes & decreases the sustenance. Instead these increase the reward & turn it into a great one. And the superior of the two is uttering the word of justice before the tyrant & oppressive ruler. (GHARAR AL HIKAM CHAPTER 8, HADIETH 272)

11. The one who is not rectified & corrected by soft & nice conduct is corrected by a good punishment. (GHARAR AL HIKAM CHAPTER 77, HADIETH 547)

12. Two person broke my back in the world. 1.A glib tongued transgressor. 2. A bleak hearted ignorant adorer. And the first one stops & constrains others from reaching for his transgression. While the other one blocks the way to the finishing of his

ignorance, by his adoration. Thus be afraid of transgressor scholar & the ignorant adorer because these (two) are the test (ordeal) for all those who get enchanted.

I heard the Prophet of Allah saying, 'The destruction & annihilation of (people of) my ummah is at the hands of all the glib tongued hypocrites (Allem ullisan means a person who knows how to exactly use his tongue to his benefit). (Raoza tul wazeen, P 6 Alhayat VOL 2, P 337)

13. Absolutely must never the good doer & the evil doer be equal in your eyes, since, this thing becomes the reason of the uninclination of those performing good deeds in their performance of good deeds & the encouragement & incentive of the evil doer upon doing bad deeds. (NEHJUL BALAGHA LE SABEEH AL SAHLEH, chapter 35, P 430)

14. People do not abandon anything from the affair of their religion for the rectification (progress) of their world (life) except that Allah opens the (vistas of) more harmful thing for them (than that). (NEHJUL BALAGHA LE SABEEH AL SALEH QISAR AL HIKAM 106, P 487)

15. Indeed world (matter) is the extreme end of the vision of a blind (hearted person). He does not see any thing beyond that. But the one having vision looks at it with deep & profound (Penetrating) eye sight & knows that the (permenant) home is beyond that. So the visionist is prepared to march off from it. But the blind hearted has pinned up & fixed his gaze upon it. The visionist picks up his provison of journey from it But the blind one makes provision for it. 16. Make your own self the standard in social conduct between yourself & the other person. Thus do like the same for other person which you love for your own self. And dislike for others what you dislike & hate for yourself. Do not commit excess upon anyone just as you like it that no one must commit aggression against your own self. And do favour others just as you like others doing favour to you. And what you regard bad for others do regard that bad for yourself as well.

It what you like to do with the people is done to you then do love it. (for yourself). And do not say what you do not know, instead even do not say all that you know. And do not utter a word which you dislike other's saying it to you. (TUHFUL AQOOL, P 74)

17. Your friends are three, & your enemies are three. So your friends are: your (own) friend, & the friend of your friend &

the enemy of your enemy. And your enemies are: your (own) enemy & the enemy of your friend & friend of your enemy. (NEHJUL BALAGHA LE SABEEH AL SALEH QISAR AL HIKAM, 295,P 527)

18. The one whose conversation & speech becomes large in quantity his faults become plenty in number. And the one whose faults become great in number his modesty, & shame decreases. And that one whose modesty lessens his piety decreases. And the person whose piety decreases his heart dies. And the one whose heart dies he enters the hell fire. (TUHFUL AQOOL, P 89)

19. Do not look at who speaks & look at what he speaks. GHARAR AL HIKAM, chapter 85, Hadieth 40) 20. All the benefi-  
cences have been gathered in three qualities: sighting 2. si-  
lence 3. speech. All the sighting & veiwing which do not take  
place for learning lesson are forgetfulness & all the silences  
which are devoid of meditation are forgetfulness. And all the  
speeches & talks which lack the remembrance of Allah are  
null & void. So heaven Uoy) be for the one whose sighting &

22. The world is a house of truth for the one who deals it with truth & a house of safety for the one who understands (something) from it & a house of wealth for the one who wishes to take provision (for journey) from it. The world is the mosque & place of prostration of the Prophets & the descending place of Allahs revelation And the service place of the angels. And the market of His friends, those who achieved & got the mercy (of Allah) & earned paradise in it. So who denounces it? Where as it has announced it's seperation & called aloud (regarding) it's departure & parting. And informed about irs death. So it has made them attentive by its happiness toward felicities (joys & comforts) & by it's anguishes & calamities toward the afflictions. Sometime it scares & sometirl)e it warns. (And at times) it persuades & incites & terrifies. So oh you who mentions ill of the world, where as you are yourself fascinated & charmed by the deceptions of the world. When has it ever decieved you?

Was it when it handed over your fore fathers to perishing, annihilation & decay? or when it made your mothers disappear under the dust? (BIHAR UL ANWAR VOL 77, P 418)

23.O, people, the most frightening things regarding which I am afraid about you are two things: The following of passions & desires, and the longevity of hopes & aspirations. So the following of passions constrains & stops one from reaching the way of righteousness (Allah's path) & as for the longevity (abundance) of hopes & aspirations that makes one forget the Hereafter. (NEHJUL BALAGHA LE SABEEH AL SALEH SERMON42,P 82)

24. He had attained freedom from the domination of ignorance. And never begged from anyone, except the trust worthy person, for a benefit. He did not complain & did not get enraged & furious & was not put out of patience. (by weariness or annoyance). Most of the times he remained silent but when he opened up his lips to talk he would be at the zenith of all the speakers. He was weak & feeble but when it came to struggle & strife he was a fierce lion. He was more inclined to lend ear in the gathering of scholars than talk.

If some one overcame him in speech, no one could overcome him in silence. He never said what he did not practice (but) practiced what he did not say. When he was confronted with two matters that he did not know which one of those was

And work for your world as if you would live here for ever & work for your resurrection day & here after as if you have to die tomorrow. And if you intend to acheive honour without a tribe & apalling presence & majesty without a rulership then move out of the abjectness & disgrace of comitting sin fobidden by Allah, towards the honour of the obedience of Allah. Allah, firstly mentioned, 'command for good & forbid to do evil' as one of His obligatory services, since, He knew that if these two obligatories are performed & established, all the obligatory services out of easy & hard will get performed & established. Because, 'command for good & forbid to do evil' invites to Islam, alongwith giving out the right of those having right & opposing of the tyrants & oppressors. (TUHFUL AQOOL. P 237)

6. O, people! the Prophet of Allah(PBtI.If) said the person who sees that a tyrant & unjust king has made the things forbidden by Allah legal & allowed, broken & breeched His promise & perjure. opposed the sunnah & tradition of prophet of Allah, acted among the servants of lord with sin & tyranny. But you have been deprived of that post. And that you have not been deprived of that but for the reason that you have detached yourselves from the right &, of your differences in the sunnah (tradition) after the appearance of conspicuous arguments.

Had you been patient upon the torture (of enemy) & had endured & borne the expenditure on Allah's course the matters of Allah (the management of Muslim affairs) would have come to your hands & those would have originated from you & returned to you but, you got the tyrants imposed at your place & surrendered the affairs of Allah to them. They practice upon doubtful (ambiguous) & move on the course of lustful desires. 4. Imam SAJJAD wrote in a letter to Mohammed lbne Muslim azzahari one of the court scholars of that age: Allah took a committment from the scholars in his book, where in, He said 'manifest them to the people &. do not hide them (the facts of the Holy Books). (ALE. IMRAN. 187)

So how little is it that they give you for the worth of what they take from you &. how worthless is that which they flourish for you as compared to what they ruin for you?

So see into your soul &. think about yourself because no one else will see to it &. think about it. (you are a responsible person &. will be brought to account &. undergo question on the resurrection day). (TUHFUL AQOOL, P 276)

Then she got contented & pleased that she remains hungry & feeds you & dresses you up remaining herself nude & quenches your thirst while she is thirsty & she puts you in the shade & while herself remains under the sun & brings you up with the extreme blandishment & delicacy while herself (remaining) in hardship.

And makes you enjoy the sweet sleep while herself waking. And her womb was a container (utensil) for you &' her lap was a soothing &' comforting place for you. And her breasts were a means of quenching your thirst. And her existence was a shield for protecting you. She endured the hot &' cold (thick &' thin) of the world for your sake. Therefore, you must also thank her at the same scale &' standard. And you do not have the capability &' power of doing it but with the aid &' help of Allah &' his succour &' grace. (TUHFUL AQOOL P 263)

40. Provide yourself with the medium of your defence & ' contemplate about yourself. And prepare the answer before the examination & ' cross questioning & ' experiencing conversance. So if you are a faithful & ' knowledge able & ' visionist about your religion, follower of the truthfuls, friend & ' lover of the friends, & ' saint of Allah, Allah will inspire & ' reveal to your argument & ' your tongue shall utter the correct & ' suitable answer & ' you shall give a decent response & ' answer.

And you will be given the glad tidings of paradise & ' good pleasure (of Allah). And the angels will greet & welcome you with happiness, bounty and fragrance (of paradise).

And if you were not like that. your tongue will stammer & . your argument will become forfeited & . false & . you will get unable & . incapable to reply & . will get the news of fire & . the angels of chastisement & . torment will receive you with the boiling hot water & . the fuming & . flaming hell. (TUHFUL AQOOL P 249-250)

## FORTY TRADITIONS FROM IMAM MOHAMMED BAQIR(A.S)

1. The one who goes to an oppressor & tryrant ruler & In-structs him to acquire piety & scares him & admonishes, preaches, & exhorts him he would have a reward similar & equivalent to both weighty beings the mankind & the Jinn & the similar (quantity) of their good deeds. (BIHAR UL ANWAR VOL 75, P 375)

2. Islam is founded & based upon five things the maintaining of services & the giving out of alms & the Hajj of the House of Allah (kaabah) & the fasting of Ramadan month & the guardi-an ship of us the Ahle bait (Houshold of the Prophet(P.B.U.H) So in four of those there exists excuse (leave & permission) But in (accepting & believing) guardianship no room for ex-cuse or allowance has been given. And for the person who does not possess wealth, there exists no Zakat (alms giving) & the one who is devoid of wealth, does not have to perform Hajj.

And the one who is ill offers his prayers sitting & may not observe fast. Nonetheless, the guardianship is binding & obligatory while he is healthy or ill or whether he is rich & wealthy or possessing no wealth. (WASAIL U SHIA VOL 1, P 14)

3. Allah revealed to SHOAIB(A.S) I will chastise one hundred thousand persons out of your community, forty thousand of their evil &. wicked ones &. sixty thousands from the pious ones among them.'

So he said 'Oh lord, these (forty thousands) are the evil ones so what for these pious (are to be tormented)'? Thus Allah (subhanahoo) revealed to him saying, 'for the reason that those pious ones coaxed & . blandished the people of sin during their social inter courses they showed adaptability &: sociability to the sinners And did not become angry with them for the sake of My anger &: displeasure ie (they did not perform the duty of ordering the good deeds &: forbidding the evils doings.) 4. The obedience of Imam following His recognition is the loftiest apex & peak & the most worthy of stations & the key to the religion, & gate way & door to the affairs & pleasure of the merciful (Allah).

More over, if a man keeps standing whole night for prayers & keeps on fasting during the day & gives out all his wealth as alms & perform Hajj all the years of his life and does not recognise the guardianship of the saint of Allah so as to love him & perform all his practices under his guidance & leadership, he does not have any right out of His rewards & he is not from among the faithfuls. (WASAIL U SHIA. VOL 1. P 91)

5. And do know that you will not become our friend until (such time) that if all the inhabitants of your city collectively form this opinion about you & say 'Indeed you are a bad person'. This saying of them does not make you sorrowful & if they say 'Indeed you are a pious man' this does not make you glad. And but you compare yourself with the book of Allah.

So if you are the traverser of it's way, pious in it's pieties (where everyou are demanded & required to be pious), prone & inclined towards its persuasion, afraid of it's Intimidation & threatenings, so remain firm. And glad tidding for you because what they (people) say about you shall not harm you. (TUHf1JL AQOOL. P 284)

6. Suleman bin khalid narrates Abi Jaffar Imam Mohammed Baqir said " May I not inform you about the Islam's principle, it's derivative & it's summit, apex & hump?' I said 'yes why not, I may lay my life for you.'

He said " However, it's principle is service & it's derivative is alm giving & it's peak & summit is Jihad (holy war). Then he said', If you please I may inform you regarding the doors of

beneficence.' I said 'yes, I may lay my life for you.' He said  
,'.Fasting is a shield against (hell) fire &. charity &. dole re-  
moves &. finishes sin, &. so does the remembrance of Allah in  
the mid of night. (USOOL AL KAFI. VOL 2. P 23)

7. The person who serves Allah according to a religion so

putting himself in great inconvenience & hardship for it & does not have (submit to) an Imam fixed by Allah then his endeavour is unaccepted (rejected). And he is a lost, gone astray, & wondering person in (a state of) perplexity. And Allah is the enemy of his practices. And his example is that of a sheep which has lost her shepherd & herd & remains wandering hither & thither, all the day long.

There after, when night falls she mistakenly joins a (different) herd whose shepherd is other than the shepherd of her own herd. After (the night) when the shepherd drives the herd she again gets astonished & perplexed not finding her own shepherd & herd & again starts the search for her own shepherd & herd. And (again) finds a shepherd with a herd (only) to mistakenly join it & the shepherd having seen her shouts at her asking her to go & join its own herd since, she has lost her shepherd & herd. And she is amazed & at a loss to know what to do. She being afraid of the wolf is running this way & that way. She does not have her shepherd to lead her to her meadow or turn her back. In the mean while, the wolf valuing & esteeming the opportunity eats her up.

And oh Mohammed, by Allah similarly, any body in this ummah & community too, who starts a morning in a condition that he does not believe in the Imam appointed by Allah, an Imam who is evident apparent, just, & equitable he will start the morning in a condition that he is gone astray & perplexed.

And if he dies in this (very) condition he will die a death of infidelity & hypocrisy. (USOOL AL KARL. VOL I, P 375) 8. The person who loves for the sake of Allah & detests & despises for the sake of Allah & gives for the sake of Allah is among those whose faith has achieved completion. (USOOL AL KARL. VOL 2. P 124)

9. Jabir Marrates that Imam Abi Jaffar said to me 'Oh Jabir does it suffice that a person claims to be shia & that he says he loves us, the Ahle bait, (house hold of the Prophet?)'

By Allah, no one is our shia except that he has piety for Allah

10. Indeed, faithful is the one who, when pleased & glad his pleasure does not make him enter into sin & falsehood (He does not commit any sin while happy). And when unhappy & angry his anger does not oust him from the word of righteousness. (He does not abandon the right course) And when he gains power his power does not make him commit excess &:. oppression &:. make him go for a thing upon which he does not have any right. (USOOL AL KAFI. VOL 2. P 234)

11. There is no servant except that there exists a white spot upon his heart. So when he commits a sin a black spot arises into that white spot. So when he repents this black spot moves away. And if he continues on committing sins the blackness of this spot increases till such time it overwhelms &:. over rides the whiteness. When the whiteness is covered over (by the blackness) the owner of it (heart) does never at all return to wards beneficence &:. goodness. And this is what Allah means when he says: ((??? ?? ??? ??? ?????? ?? ?????? ??????. ??????/ 14))"Nay! rather, what they used to do has become like a rust upon their hearts.'" (SURAH MUTAFAFIN -VERSE: 14, BIHARUL ANWAR, VOL 73, P 332)

12. Indeed, when a man earns the wealth from Haram (prohibited) sources, no Hajj &:. no umrah &:. no strengthening of his blood kinship is never at all accepted &:. approved. (by Almighty God). (BIHARUL ANWAR. VOL 99. P 125)

13. The completion, entire completion of a man lies in understanding &:. appreciating the religion (the necessary laws of &:. principles of jurisprudence), the patience &:. forbearance upon the occurrence of incidents &:. the appraisalment &:. assessment of (his) economy. (TUHFUL AQOOL. P 292)

14. There are three things out of the completions &:. worths &:. values of the world &:. there after: 1. Forgiving the one who has committed excess &:. aggression against you. 2. Joining the one who cuts off relations &:. ties with you. 3. Forbearance &:. tolerance for the one who committed a folly &:. showed insane behaviour &:. conduct towards you. (TUHFUL AQOOL, P 293)

16. The scholar whose knowledge is made use of &:. benefitted from, is worthier &:. more virtuous than seventy thousand worshippers &:. adorers. (TUHFUL AQOOL, P 294)

17. I recommend you to have five virtues. 1. If you have

undergone oppression &:. tyranny, you do not oppress. 2. If a dishonesty has been committed with you, do not commit dishonesty. 3. If you have been falsified &:. contradicted do not get annoyed &:. vexed. 4. If you have been praised do not get pleased &:. glad. 5. And if you are vilified &:. disparaged do not be impatient &:. apprehensive.

And do contemplate &:. ponder about what is said about you. So if you observe &:. come to know about something which exists in you (vice) then do know that to lose your honour &:. falling down in Allah's view for a right &:. just thing is much more of a greater &:. graver calamity than losing respect in the eyes of people. And if your condition is contrary to what has been said about you, then you have earned a reward &:. recompense short of any physical strain. (TUHF1JL AQOOL. P 284)

18. Certainly, Allah grants this material world to the one whom he loves &:. the one whom he despises. And he does not bestow his religion to anyone except whom He loves. (TUHF1JL AQOOL, P 300)

19. Beware! caution! Do not acquire enmity because it rots &:. turns the heart evil &:. causes to develop hypocrisy. (AIMATANA, VOL I, P 365, NARRATED FROM THE BOOK HILYAT UL AULIA)

20. Indeed, the most terrifically sorry of all the people on the resurrection day will be the servant who defines &:. shows the way of justice to the people &:. himself opposes it. (TUHF1JL AQOOL, P 298)

21. Be careful, do not put off &: evade (the obligatory actions because this is an ocean in which, all those perished, get drowned. And beware of neglectfulness, since, it causes the hardening &:. stiffening of heart. And be careful of slackness &:. sluggishness, unless you have an excuse &:. reason for it, since, those who repent take refuge in it. And revert back the past sins committed, by intensity of shamefulness, repentance &:. abundance of penitence &: imploring forgiveness. And

attract the mercy & forgiveness of Allah through nicety & beauty of reference (purity of prayers) And to lay hands upon decency of reference get the help of pure prayers & sublimation in the darkness of night.

And get the purification of thankfulness by considering the small amount of sustenance as great & thinking great amount of (your) services as meagre & small. And attract the abundance of benevolences & beneficences through greatness of thanksgiving. (TUHF1JL AQOOL, P 285)

22. There are three things the owner (committer) of whome does not die until he finds & reaches their punishment.

1. Oppression & cruelty.
2. Rupture & desertion of one's blood kinship.
3. False oath, which is a war against Allah.

And connecting & joining the kinship is an act which gets the quickest of rewards & indeed there is a community which consists of transgressors but their wealth gets exuberant & increased & they become rich & wealthy by virtue of joining the kinship. And the false oath & desertion of blood kinship turns the cities along with their inhabitants vacated & deserted (by the death) of their inhabitants & dwellers. (TUHFUL AQOOL, P 294)

23. Who so ever's tongue utters the truth, his practice becomes purified & the one whose intention is decent & good, his sustenance boosts up & increases. And who ever adopts a decent & nice attitude & behaviour with his family his life lengthens. (TUHFUL AQOOL, P 295)

24. Beware of sluggishness, annoyance & impatience since these are the keys to all the evils.

The person who commits sluggishness & slackness never at all discharges any right & the one who gets impatient & restless, does never at all remain patient over the right. (TUHFUL AQOOL, P 295)

25. Humility & humbleness (means) is to be pleased & contented with sitting in, an assembly at a place lower than one's status & honour, & saluting anybody one meets & abandoning dispute even if one is right. (TUHFUL AQOOL, P 296)

26. Indeed, faithful is the brother of faithful. He does not abuse him & does not deprive him & does not mistrust & develop a bad opinion about him. (TUHFUL AQOOL, P 296)

27. Nobody remains safe from sin unless he guards his tongue.  
(TUHFUL AQOOL, P 298)

28. Indeed, Allah hates & despises the curser, rebuker & sarcastics of faithfals (those who curse, rebuke & give sarcastic remarks about the faithfals.) (TUHFUL AQOOL, P 300)

They have gone astray, distracted &: made the people go astray. So their practices are like ashes which are dispersed &: blown up by winds on a stormy &: squally day. They can not lay hands upon what they have achieved, this is

the same ((???? ?????)) remote &: distanced deviation &: aberration. (USOOL AL KAFI, VOL 1, P 375)

30. Indeed, Allah has hidden three things in three others. His pleasure in his obedience. So of course, do not belittle anything from his obedience, since His pleasure may be in the same one.

And Allah has concealed his wrather &: anger in His sin. So of course do not belittle &: count any sin as small. May be the wrath of Allah is in it. 1.However, the prohibited form of guardiouship: So the ruler-  
 ship of the tyrant ruler &: the rulership of his govemers, their  
 chief, the follwers of the rulers, so besides them the sub rulers  
 under the rule of the main ruler, right down to the smallest  
 one, is a door out of the doors of rulership upon whom he is a  
 ruler. And working for them &: having bussiness &: trade rela-  
 tions whith them (as an acceptance of their rule) is prohibited  
 &: unlawful

Who soever does it, whether more of it or less of it, will get tor-  
 mented &: chastised.

Because all that done (as an assistance to them) is a big sin  
 among the big sins.

And this is because during the rulership of the tyrant all the  
 righteousness gets wiped off. &: all that is falsehood will be re-  
 vived in the rulership of the oppressor &: tryrant ruler. And the  
 cruelty &: brutality &: corruption manifested &: the heavenly

3. Umer bin Hazala says I enquired from Imam Jaffer Sadiq(A.S) "Two men out of us have a dispute about a debt or a heritage &: proceed toward the king &: the judges of the age (appointed by the king) to get their affair settled. Is this act of theirs lawful?"

Imam Sadiq said, 'Anyone who refers to them for Judgement of whether something right or false, so truly he has referred to Taghut (satan, Devil). And what so ever judgment the (satanic institution,) executes for him (should that even be a right one) is getting (haram) Prohibited wealth, because, he gets it upon the order of false deity, (satan). Where as, Allah has commanded in the Holy Quran to deny the satan &: devil. Allah said 'They desire to undergo the rulership of satan (Taghoot) &:' They have already been ordained to disbelieve it.'

I said 'so how do they settle their dispute?' He replied ',They should look for the one among you who narrates our hedieth (traditions) &: sees into (Probes) our licit (lawful) &: our forbidden &: knows our legal provisions &: ordinances so they must get contented with his judgement (mediation). Truly, I have already made them the rulers over you. (ALW ASAIL VOL 18, P 99)

4. The Judges are four (categories). Three of them are to enter the hell fire &: a single one into the heaven. 1, The one who makes Judgement cruelly &: by injustice &: he is aware of it. 2. The one who makes judgements cruelly &: tyrannically (unjustly) but unknowingly, he is in the fire of hell. .3. And a man who makes Judgement according to justice &: rightly &: he does not know it, so he is in the hell fire. 4. And a person who makes judgement rightly &: justly &: he knows it, so he will enter the paradise. (TUHFUL AQOOL, P .365)

5. The person who sees his brother (religious) involved (in a problem) which is the cause of his trouble &: dislikeliness &: he does not remove it from him although he can do that, has committed a dishonesty with him. (AMALI SADDUK, P 162)

6. Nothing follows a person after his death except three virtues

7. Some of the rights of a muslim upon his muslim brother are that he salutes him when he meets him. And visits him when he becomes ill, & when he is absent he wishes him his benovelence & beneficence ie, defends him in his absence). & prays for him when he sneaks, (saying ????? ???? (God take pity on you) & accepts his invitation when he invites him & ascorts

his funeral when he dies.' (USOOL AL KAFJ VOL 2. P 171)

(chapter: 'Faithful's rights upon his brother' 8. Faithful is the brother of faithful just like one single body, (so that) if one part of it has a complaint the entire body feels &' recieves the pain &' trouble. And their souls are from a single soul. And indeed the tie &' connection of the faithful's soul to the soul of Allah is more powerful &' strengthier than the connection of the rays of sun with it. (USOOL AL KAFJ VOL 2. P 166)

9. The muslims' right upon (another) muslim is that he must not be full &' satiated &' his brother remains hungry. And he must not get his thirst quenched &' his brother remains thirsty. And he must not dress himself up when his brother is naked. So how great &' exhoberent is the right of a muslim upon his muslim brother. And he (A.S) said do wish for your muslim brother the same which you want for yourself. (USOOL AL KAFJ VOL 2, P 170 Faithful's right upon his brother.')

10. Faithful is the brother of faithful, his eye &' his guide. He does not commit any dishonesty &' does not execute aggression upon him nor teachery &' deception And when he commits &' gives him a word, does not go back upon it. (USOOL AL KAFJ VOL 2, P 166, chapter: Brother hood of faithfuls)

11. The smallest thing which turns a man out of faith (renders him faithless) is that he keeps counting the faults, lapses missteps &' fauxes of his brother in faith so that one day he may reprimand him. (by those weaknesses). (MAANJ AL EKHBAR. P .394)

1. These are a glimpse of the rightsofmusJim brethern which originate from the birth ~ continue on till his death. So muslims must assess ~ evaluate their practices according to this standard.

And makes him aware & knowledgeable about the faults & short comings of the world & it's diseases & ailments & their cures. And transfers him out of the world in a pure & perfect conditon toward the house of peace (ie the next world). (BIHAR UL ANWAR. VOL 73. P 48)

13. There would be many categories & classes of the people crossing over the path.. And the path would be thinner than a hair & sharper than a sword.

1. Some people would cross over creeping upon their bellies & hands. 2. Some would cross over walking. 3. And some would cross it in hanging condition, so that, the hell fire would be burning some parts of their bodies & some parts will be left over (safe). (RAOZATAL WAIZEEN. P 499)

So the speed of his Journey would not but only increase his distance (from the destination). (TUHf1JL AQOOL. P 362)

(Allah guards the pious ones against all sorts of calamities, down falls, pains, discomforts &: deviations of faith provided they depend upon Him.) And the one who does not observe patience over the calamities &: mishaps &:

express thankfulness &: gratitude for all the benovelences &: beneficences &: does not find &: search a way out of all the difficulties is an unable, &: confounded person. And make it a habit to be patient in wake of all kinds of calamities &: afflictions should those be of children or wealth or one's owns elf, Since, Allah takes back his loan &: takes back his endowments so as to test your patience &: gratitude in those things. And have hope from Allah the kind of hope &: aspiration which may not invoke &: make you dauntless &: brave in committing his sins &: prohibited acts. And excellence & virtue is a gift from Allal1 to His servant. And it is not that who so ever loves to be fair & good to people does it (as well). And it does not happen that all those inclined & prone to it get the power & succeed in doing it. And it is not so that all those who have the power & limitation to practice & perform it get permitted & leave to perform it. So when Allah does a favour to a servant he gathers for him the inclination & tendency of doing good & the capacity & power & the permission. Quran describes the deviations of many nations & the punishment awarded to them. Such as the nations of lotus, Hood & SALEH etc. Presently, even in this era, the different famines, diseases like .aids. etc, earth quakes, floods, wars & different shapes of lyanry in practice in many parts of the world is certainly a chastisement & warning to humanity.

2. Faith is to one grade superior & sublimer to Islam & piety is one degree superior to faith & certitude & certainty is one step superior to faith & nothing more elegant & excellent than certitude has been bestowed upon the sons of Adam(A.S) (BIHAR UL ANWAR VOL 78, P 338)

4. And faith means performing & discharging the obligatory duties & avoiding the committing of forbidden acts & faith, is the recognition & knowing (Allah) through the heart & admitting & confessing through the tongue & practicing through the parts of body (Physically). (TUHruL AQOOL P422).

 scribed the magnanimity & glory of it's authority & it's mir-  
 acles saying, That is the firm cable of Allah & firmest handhold  
 & the ideal & model path, it guides & leads toward paradise &  
 is the saviour from the fire (of Hell). It does not corrode &  
 wear out by the passage & flow of time.

More over, it's continuous repetition & recitation through the  
 tongue does not devalue & deppreciate it. since, it is not made  
 to exist for a certain age & period apart from other ages &  
 periods. Instead, it has been made a proof & logic for all hu-  
 man beings. Falsehood does nither find passage in the front &  
 afore of it nor from it's back side. It has been descended (revel-  
 ated) by Allah, the All wise, All praise worthy. (BIHAR UL

6. Rayyan says I said to Imam Reza(A.S), What do you say  
 about Quran?' So he replied ',It is the speech of Allah, do not  
 exceed & move ahead of it & do not seek guidance from other  
 than it. otherwise, you would go astray.' (BIHAR UL ANWAR

7. 'Indeed Imamate is the rein of religion & the system of muslims & the righteousness & welfare of the world & the honour & glory of faithfuls. verily, Imamate is the growing & ongoing root of Islam & it's elevated & sublime branch. Services, alms, fasting, Hajj & Jihad (the holy war) attain completion & perfection & the booty (tributes) & alms gets plentiful & abundant, & the Allah's bounds, sanctions, & ordinances get executed, & the frontiers & boundaries (of Islamic lands) get safe & secure, through Imam. (USOOL E KAFI , VOL 1 , P 200).

8. About the workers & officials of sultan (king, ruler). Becoming a part of the officials of them & providing of help & assistance to them & putting in en devour to fulfill their needs & requirments is the equivalent to infidelity. And looking intentionally & purposely at them is one of the great sins which deems one fit to deserve the hell fire. I .(BIHAR UL ANWAR VOL 75, P 374)

9. Allah may take pity & be merciful to the servant who resurrects & revives our affair so I said ',And how is it that your affair gets revived?' He responded ',By learning our know ledges & teaching them to the people.'(WASAIL U SHIA, VOL 18, P 102) 1. The slightest thing or contact is looking intentionally at a person, even this is one of the great sins not to talk about helping the tyrants practically. So, those muslims who strengthen & solidify the foundations of their aggression & tyranny & make their abode in the hell, must as per this tradition avoid such activities.

And people be secure &. peaceful from his evil doing. 3. He considers the small amount of benefaction from others as abundant &. plentiful. 4. And takes plenty of his own benevolence &. goodness to be a meagre amount of it. 5. He does not get tired &. exhausted by the demands &. requirement asked to be fulfilled. 6. And that one who takes lesson becomes most clear sighted &. discerning. And he who becomes most clear sighted understands &. he who understands &. comprehends becomes knowledgeable &. informed. So he responded ',Those men that when they perform good deed they become glad &. when they perform a bad deed they ask the forgiveness (of Allah) &. when they are granted they thank (for it). And while they get afflicted &. grieved they exercise patience. And when they get enraged &. angry they forgive. (overlook. other faults). (TUHF1JL AQOOL, P 445)

17. If it is asked why people were ordered to fast? It would be answered so that they may know the trouble of hunger & thirst & thus get the idea about the poverty (hunger ~ thirst) of the Here after. And the fast keeper may get humbled, belittled, humiliated, destitute, indigent (More over) they may get the reward of Allah & be patient & forbearing in the wake of the (trouble) they face from hunger & thirst with knowing of Allah & sincerity. So fasting will be the cause of their getting reward. More over, this will bring about the control of lustful desires and become the admonitioner in this world.

And make them submitt to the performance & offering of what has been made obligatory for them & guides them to (the affairs of) Here after. None the less, they by keeping fast do understand & comprehend the severeness & extremity & the amount of hardships & miseries that the poor & afflicted ones have to bear in this world. So they give away the obligatory amounts which Allah has made obligation for them to payout of their wealths. (BIHAR UL ANWAR VOL 96, P 370)

18. The Jamaet prayers (the collective & assembly prayers) have only been made so that the sincerity, oneness of Allah & the adoring & worshipping of Allah gets obvious, known, apparent & common. Because, the show of it will complete the proof of the oneness of Allah to the people of East & west. And will make the hypocrite & the one who has disrespecting attitude, humble & respectful to something which is the cause of admitting & acknowledging the apparent of Islam & the submission to it. 26. The secret &: cause of selVices (prayers) is that prayer is the confession of the lordship of Allah &: negating all kinds of partners &: plurality for him. And standing before the omnipo- tent, with humility, humbleness, &: the confession (of sins) &: begging forgiveness of the previous sins. And placing the face on dust five times a day as (sign of) honouring &: cofession of His greatness. And selVices (prayers) is the cause of remem- bering Him &: taking distance from the arrogance &: neglect- fulness. Prayers become the cause of humility, submisiveness &: humbleness (toward Allah) &: the eagerness,

keenfulness &: enthusiasm regarding the desire of enhancement of material &: spiritual progress (both in the world &: here after). Moreover, prayers makes a man engaged constantly in the remembrance of Allah both day &: night so that he must not forget his lord, master, Administrator &: creator, since, forgetfulness will become the cause of rebellion. Man while offering prayer stays in the presence of his lord &: in the state of His remembrance &: this very condition constrains &: stops him from sins and constrains &: refrains him from many kinds of corruptions. (BIHAR UL ANWAR VOL 82, P 261)

27. And parsimony &: avarice makes the honour (of man) spotted (dishonours &: disgraces him) &: the love of (worldly materials) causes griefs &: involvements in problems. And the best &: most valuable of virtues is doing good (to others) &: providing shelter &: refuge to those afflicted &: fulfilling the hope of the person having hope from you. (BIHAR UL ANWAR VOL 78, P 375)

28. Do not acquire &: adopt the company of drinker &: do not salute him. (BIHAR UL ANWAR VOL 66, P 491)

29. Allah forbade the drinking of wine, since, it causes corruption, disturbance, &: intoxication of the minds of its drinker &: this becomes the cause of his refusing &: denying of Allah &: uttering abnoxious language about HIM &: His Prophets. And becomes the cause of all the sins including murdering &: accusing falsely chaste woman of adultery &: committing adultery &: lessening of abstinence &: refraining from forbidden deeds (sins). So this is the reason of it that all the drinks which intoxicate are prohibited &: forbidden. Since these drinks too have the same negative results which the wine has got.
